

DAVID SHAFFER

Executive Coach & Consultant Parrish Partners, LLC

David Shaffer has served as Owner, CEO, Managing Director, Business Advisor and Executive Vice President for multiple companies both for and not for profit industries. He has worked with companies that include manufacturing, construction, health and elder care, distribution, services and information technology. He has worked as an interim executive in multiple capacities.

He has been recognized for his ability to effectively integrate all aspects of business including financial management, information systems, infrastructure and operations. He has assisted companies from executive strategic planning into operational and business process improvement opportunities including sales strategies and executive life balance attainment.

David has brought his experience into providing coaching, mentorship and leadership development at the Executive and Operational levels in multiple industries. In addition to one-on-one consultation, he has participated at the Board level and departmental development assisting managers to better utilize their assigned resources.

David provides a roadmap and focus on value creation while assisting in life balance attainment for executives, managers and overall teams. His leadership coaching has helped companies and management teams achieve positive results in such areas as Business Strategy, Managing Team Dynamics, Leveraging Strengths, Effective Communication, High Performance Teams and Leadership Skills.

David is a certified member of the expert panel for Managing Americans and has been a frequent speaker in the areas of leadership development, strategic and business planning and value creation. He holds an MBA from Pepperdine University in Southern California and a Bachelor of Science degree from Concordia University in Montreal, Canada
